## JASON HEWLETT

### Signature Moves

---

---

It is our pleasure to present, as our Keynote Speaker today, Jason Hewlett.

When was the last time you really considered your mark on the world, the legacy you will leave, your purpose in business and life? Some never find it, others have given up trying. But for all there is an answer! Have you ever wondered what it is that makes you Different? Unique? Amazing? Jason Hewlett's message, entitled, "Signature Moves: Standing Out In A Sit Down World" gives you the tools to creating the future you've always dreamed of.

Jason Hewlett addresses corporate leadership, management, and the front lines of the workforce throughout the world. He is a CSP, Certified Speaking Professional, as recognized by the National Speakers Association and over the past decade has built a multi-million dollar company based upon his talents as a Speaker and Entertainer, in which he has performed with the world-renowned "Legends In Concert" of Las Vegas and over 2,000 private events.

So, let him know you're out there and give him a rousing welcome....
